SUPPLEMENT TO REPORT NO.

THIS IS UNEVALUATED INFORMATION

* Documentary

25**80** ARCE

Inclosed are photostats of the switchplan of the 100,000 km/sec oscillograph OSW Type 2619, Blueprint No. G 294 SP. A model of this oscillograph has been completed and delivered to the Russians. Also inclosed are photostats of the piece list of the Stromisufplan.

These documents are sent to you for retention in the belief that they

may be of interest to you.
